

Explore the Pyramids

Directions: You will use the National Geographic and NOVA weblinks on the wikispace to gather information for a brochure or poster for a pyramid. You can also use other resources from class. You will be assigned one structure from this list: The Red Pyramid, the Great Pyramid, the Pyramid of Khafre, the Pyramid of Menkaure, or the Pyramid of Pepi II.

Requirements: Design a brochure or poster for your assigned pyramid. Include the name of the pyramid on the paper. All of the work must be created by hand. Only research information comes from the computer.

- Dates this pyramid was built: _____ Location: _____
- Measurement(s): _____
- **Three** interesting facts about this pyramid
- Complete at least **one** choice item from the list
 - Additional fact from another resource not offered in class – cite the source
 - Draw a picture of this structure with the important features
 - Add to the title by writing the name of the pyramid in hieroglyphics

Grading Criteria:

4	3	2	1
Met all requirements and went beyond adding more facts and used own resources	Included all requirements with accurate facts from the resources provided	Included most of the requirements with accurate facts from the resources provided	Missing several facts or included inaccurate facts
